

Course Key Inventory

STARS Definitions:

Sustainability Course

Sustainability courses are courses in which the primary and explicit focus is on sustainability and/or on understanding or solving one or more major sustainability challenges (e.g. the course contributes toward achieving principles outlined in the Earth Charter). For a complete definition, visit **Page 24** of the STARS 2.0 Technical Manual below:

http://www.aashe.org/files/documents/STARS/2.0/stars_2.0_technical_manual_-_administrative_update_two.pdf

Includes Sustainability

A course that includes sustainability is primarily focused on a topic other than sustainability, but incorporates activities, or integrates sustainability issues throughout the course. For a complete definition, visit **Page 24** of the STARS 2.0 Technical Manual below:

http://www.aashe.org/files/documents/STARS/2.0/stars_2.0_technical_manual_-_administrative_update_two.pdf
