---

This summer was busy for the Office of Sustainability in prepping for the 2021-2022 school year.

We are excited to be in our new permanent space back in the GSC this month and for the events we have planned for the fall semester!

# Congratulations

## SUSTAINABILITY TIP OF THE MONTH

LIVE THE  
**green dot**  
ENDING VIOLENCE  
IN AGGIELAND  
ONE GREEN DOT  
AT A TIME

Attending trainings such as Aggie Allies, Green Dot, etc. are great ways to educate yourself on social sustainability.

**Hint: If 50% of your office does this, you've completed an ASA Office Certification checklist item.**

# SUSTAINABILITY PROGRAM HIGHLIGHT

Residence Life  
DIVISION OF STUDENT AFFAIRS

The Department of Residence Life strives to engage and educate our diverse student population about sustainability with the mission of **making sustainability an Aggie tradition.**

They do this through their **Sustainability Plan** and programs:

- Aggie Eco Reps
- Green Dorm Certification
- E-Waste Bins
- The U-Challenge
- Donate, Don't Dump
- Grocery Give & Grab
- Soles 4 Souls
- Trex Plastic Challenge

Did you know?  
The Department of Residence Life has received over \$388,000 for 19 different environmentally sustainable projects on campus through the Aggie Green Fund.

# Snooze

AN A.M. EATERY

## BREAKFAST BUT DIFFERENT

On July 31, we hosted a sustainability celebration at Snooze, an A.M. Eatery to say **THANK YOU** to those who work to make Texas A&M more sustainable.

Snooze opens August 4th to the public.
