GLOBAL CONFERENCE ON SUSTAINABILITY IN HIGHER EDUCATION

Streaming Live: October 12 - 14, 2021

Texas A&M is excited to be a Host Institution for this year's Global Conference on Sustainability in Higher Education, a virtual conference taking place October 12-14, 2021. GCSHE offers three full days of live content and networking, plus eighty days of on-demand access (through December 31). As a Host Institution, we have 200 registration passes for our campus only.

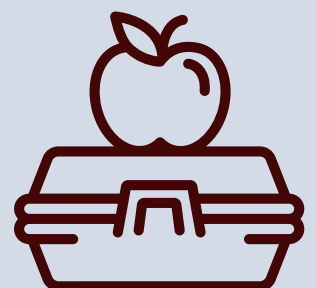

Sign up using the instructions below to gain free access to this great event:

1. Click [here](#) to register.
2. Select Attendee.
3. If you are a Presenter or Student Presenter, use the Presenter Access Code provided in your acceptance email.
4. Fill out all the relevant fields.
5. Use your institutional email address only. The Discount Code is linked to your institution's email domain (@tamu.edu).
6. After entering your ticket, but before clicking Checkout, enter the following Promotional Code and hit Apply: TEXASAM27JUL21.
7. This will change the total to \$0.00.
8. Complete your registration.
9. Registration deadline is October 14, 2021 at 11:59 p.m. ET.

SUSTAINABILITY TIP OF THE MONTH

Pack a Lunch

Pack a lunch rather than eating out. This limits packaging waste, reduces travel time, saves money, and promotes healthy nutrition. Remember to use reusable containers.

* Every Office of Sustainability presentation will have at least one code word (more codes are available if you watch the event live!) collect those code words as each one is an entry into the giveaway.

The Grand Prize is a choice between a Yeti or a GoPro (or a runner up prize if preferred).

Two runner ups will win a Patagonia 1/4 Pullover.

Once you are done collecting codewords, email all of them to sustainability@tamu.edu by October 31, 2021.

SUSTAINABILITY HIGHLIGHT

TEXAS A&M UNIVERSITY AGGIE GREEN FUND

The Aggie Green Fund is a grant-making organization for sustainability projects at Texas A&M University. It offers Major Grants on an annual basis and Micro-Grants on a rolling basis to empower students, faculty, and staff to take action and bring creative environmental improvements to campus.

Since its launch in 2011, the Aggie Green Fund has awarded approximately \$2.1 million to over 90 projects.

Have an idea for an environmentally sustainable project? Micro Grant Applications are open NOW and Major Grant Abstracts will open soon!

Important Dates:

October 4 - Major Grant Phase 1 Abstracts Open

October 5 - Aggie Green Fund Major and Micro Grant Informational

October 6 - Aggie Green Fund Grant Writing Workshop

October 28 - Aggie Green Fund Grant Writing Workshop
