HOPE FOR THE FUTURE VIRTUAL SUMMIT

The Texas Regional Alliance for Campus Sustainability (TRACS) is hosting a FREE Summit November 8-9, 2021.

The 2021 TRACS Summit will be virtual and will provide educational opportunities for students, faculty, staff, and community members on five specific Sustainable Development Goals that address hunger, health, education, inequality, and climate change.

For information about the conference, the schedule of events, and how to register, visit https://texascampussustainability.com/

SUSTAINABILITY TIP OF THE MONTH

Shop Local

Most goods travel thousands of miles on trucks, planes, and ships before reaching the consumer, and these vehicles burn significant amounts of fuel.

You can support local restaurants and shops to reduce environmental impact, but also help the local community and economy.

- Late submissions will NOT be accepted.

- Head to greenfund.tamu.edu to apply or email greenfund@tamu.edu with any questions!
TAMU Urban Farm United (TUFU) is a local micro-farm project utilizing vertical farming techniques to distribute fresh food to the 12th Can and Nam Cafe. TUFU was funded by an Aggie Green Fund Major Grant in 2019.

Did you know that Tower Gardens:
- Use 98% less water than traditional gardening.
- Can reduce your carbon footprint by eliminating food miles and storage.
- Use 90% less land than normally required to grow produce.
- Recycle 100% of nutrients and water using a closed-system technology.
- Eliminate need for pesticides and herbicides producing clean, fresh food.

Keep up to date with TUFU at facebook.com/tamu.urban.farm.united/
